Parking at UCLA

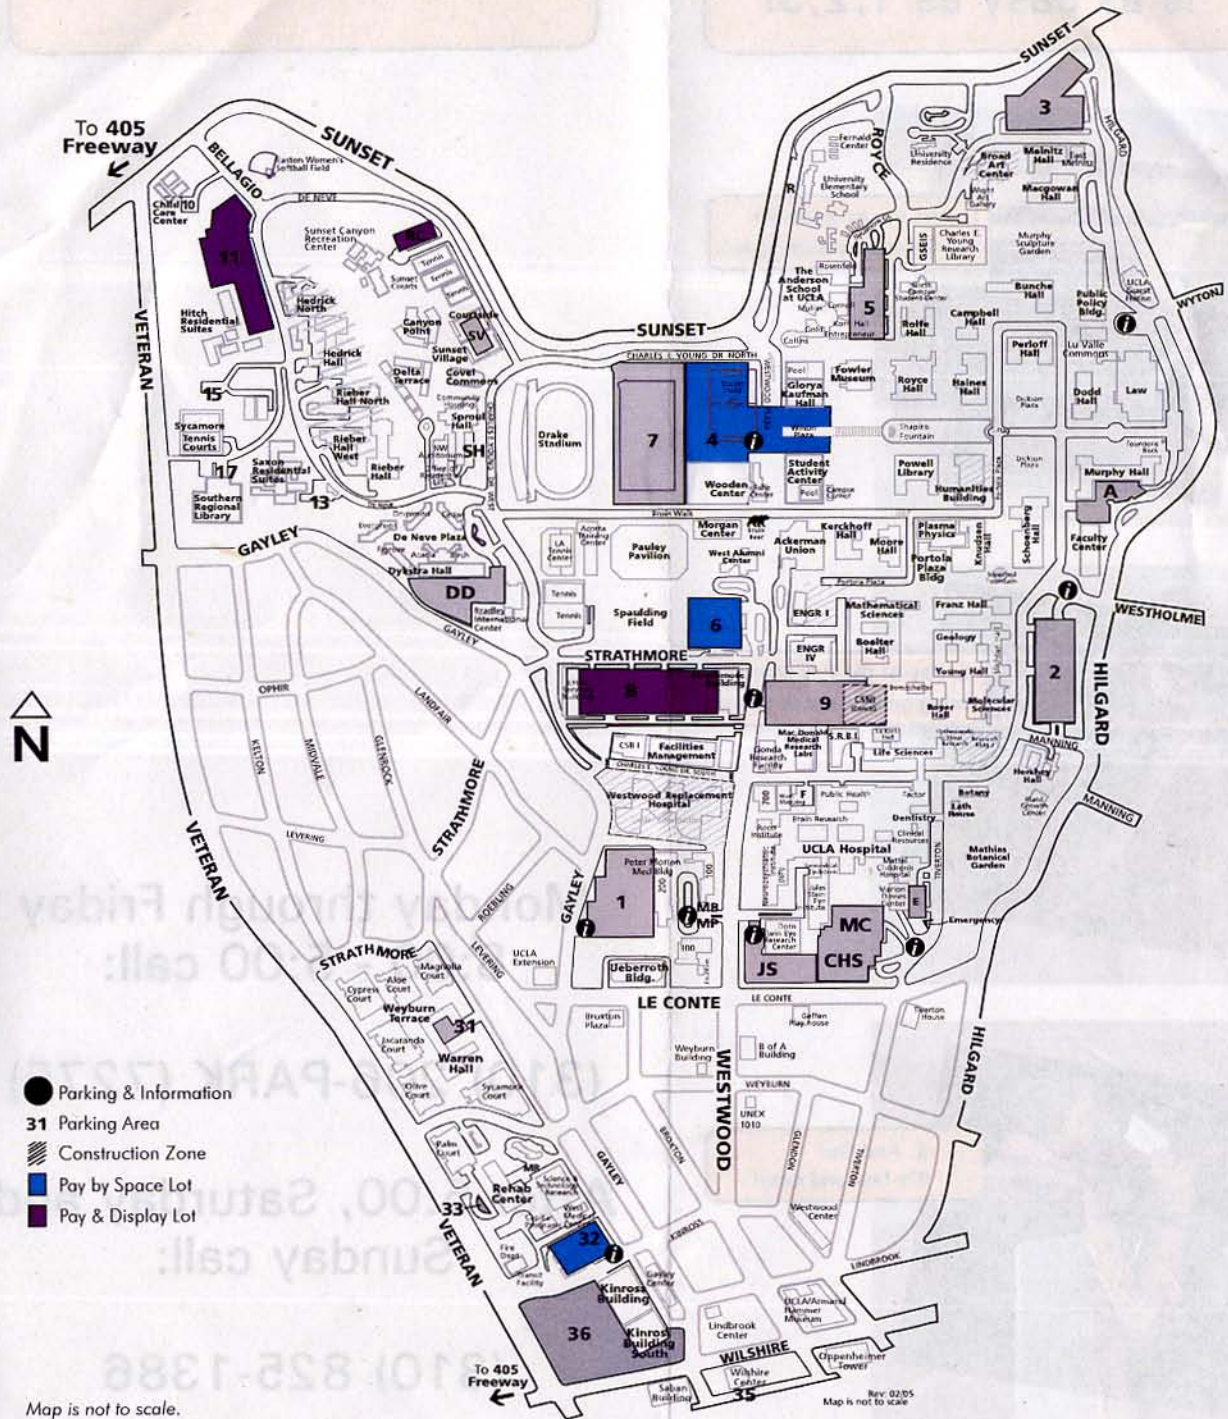

just got easier!

UCLA Parking Pay Stations make parking easier by offering you more short-term parking choices. If you know your destination on campus, drive to one of the self-service parking locations on this map. Park in one of the numbered, Pay Station spaces and pay for your parking. Park, Pay and Go!

UCLA Parking Pay Stations are great for

- Students without a quarterly parking permit, needing to park on campus for a class or two at a time.
- Visitors attending a UCLA athletic event at Pauley Pavilion.
- Anyone who is familiar with the campus and does not need to stop at an Information and Parking booth for directions or instructions.
